ANNUAL DUES ARE \$500

_____ Enclosed is my check for _____ for my dues.

DEPOSIT OF \$200 IS REQUIRED - Dues may be paid over 5 months.

WEBSITE OPTIONS (CREDIT CARDS OR PAYPAL) :

The website now has an option tab under **Membership Renewal** for dues payments with a note section to let us know what you are paying for. You will be responsible for any processing fees that the Krewe incurs. You can either add 5% to your payment or you will be invoiced for the fees at a later date. *All credit cards process under PayPal as the credit card processor so do not be confused by this.*

Anytime you make a payment through the website, PayPal will be the processor. You can either use your credit card or use PayPal directly. Just know that anytime you make a payment through the website it is set up as a business account and you can not get around paying the process fee.

PAYPAL FOR PAYPAL ACCOUNT HOLDERS NOT VIA THE WEBSITE:

We offer the option to pay directly with PayPal - use the **Send Money to Friends & Family** not the service option. *Please note there is a processing fee for using PayPal if you choose the service option or if you use PayPal through the krewe's website.* We will require you to pay the fee if one is charged to the Krewe.

If you would like to send payment via PayPal with no fee use the option of "Send Money to Friends" please send payments to orders@kreweofartemis.net
